

PRESS RELEASE

22nd Annual Energy, Utility & Environment Conference (EUEC) and Transportation Electrification Expo (TE-Expo) to Be Jointly Held in San Diego, Feb. 25–27, 2019

1,100 pre-registered for the event, features 400 speakers and 200 exhibits

SAN DIEGO, Jan. 30, 2019 — The 22nd Annual Energy, Utility & Environment Conference ([EUEC](#)) and the Transportation Electrification Expo ([TE-Expo](#)) will feature 400 expert speakers and 200 exhibits co-located at the San Diego Convention Center in San Diego on Feb. 25–27, 2019.

“Our mission is to facilitate information exchange and foster cooperation between energy, utility, transportation industries, regulators and the government for the protection of our environment and energy security,” said Dr. Prabhu Dayal, Chairman, EUEC. “The EUEC and TE-Expo events feature 400 top-tier speakers and 200 exhibits in two adjacent halls. More than 1,100 attendees are already registered.”

The [program](#) agenda consists of 400 expert speakers presenting in 11 concurrent tracks over three days. EUEC 2019 will feature expert presentations in nine tracks (A–I). TE-Expo will feature expert panelists in two tracks (J–K) who will focus on topics related to transportation electrification technologies and strategies for compliance and implementation of California SB350. California SB350 mandates the electrification of buses, trucks, fleet and off-road equipment utilizing \$1 billion in funding from investor-owned utilities including San Diego Gas & Electric, Southern California Edison and Pacific Gas & Electric.

PROGRAM WITH 400 SPEAKERS IN 11 TRACKS:

- A. Regulatory Update
- B. CEMS & Air Quality
- C. SO₂, NO_x, HG, SCR, Control & Optimization
- D. Power Gen & Energy Services
- E. Solid Waste, Landfill Gas, Biofuels
- F. Renewable Energy
- G. O&M, DDD & EHS
- H. ELG, CCR, CCS & RGD
- I. Water & 316(B) Cooling Tower
- J. Utility Fleet & Transportation Electrification
- K. Battery, Storage & Charging

EUEC & TE-EXPO EXHIBITS:

200 exhibiting companies are featured in the [EUEC EXHIBIT](#) hall located in the ballroom and the [TE-EXPO](#) held across the foyer in the 100,000-square-foot Sails Pavilion of the San Diego Convention Center.

TE-EXPO EXHIBITS

The TE-Expo show floor features electric, zero emission and alternate fuel vehicles, charging stations, utility fleets, battery, storage, consulting, suppliers, software, infrastructure development and management consultants.
